Summer News Letter

We have been growing at the FTC. We now have five Marriage & Family Therapists', and two MFT interns. We are opened Monday - Thursday 8am-8pm, Fridays 8am-6pm and Saturdays 8am-4pm.

We accept all insurances including husky. A sliding fee scale for the under or uninsured.

We are on the web at www.thefamilytherapycenterllc.com.

Helen Skovran, MS, LMFT founder and director of the FTC is currently working with military families in the Bristol/Farmington area. The FTC will be launching a family program for children with a parent in the military on September 29th 2011. The program will run from 6-7:30 pm every other Thursday. She continues to work with individual families and couples.

Georgianna Sloate, MS LMFT is a Licensed Marriage and Family Therapist. Her experience includes working with children, individuals, families and couples. She is currently working with adults and children with eating disorders and will begin her eating disorder group this fall.

Kyoung-Hi Dickson MA LMFT is a Licensed Marriage and Family Therapist. Her experience includes working with children, individuals, families and couples. She is currently working with Helen developing the family military program.

Erica Tofano MS MFT is currently working with young women with anxiety disorders. She will continue her girls high school group this fall. Erica also works with children, families and couples.

Cassie Nowak MS MFT is currently working with young women with anxiety disorders. She also is treating families, couples and individuals under the supervision of Helen Skovran.
