ABOUT US

We offer a variety of wrinkle and weight loss solutions in Columbus. If you live in Columbus or are conveniently located near the Columbus area we can help you with all sorts of skin enhancement products. We are your Columbus Botox specialists. Let us help you with bodysculpting, chemical peels, lipotherapy, latisse, microdermabrasion, sclerotherapy and more.

We are so glad you decided to visit us and hope you agree that it is time for YOU to take care of YOU!! We can help you get rid of those marionette lines or frown lines or even that unwanted extra weight that has been hanging around since last winter! Did you know that studies show that Botox can reduce migraine headaches? This is all the more reason to schedule an Appointment to see Dr Gina Mayer. Helping Columbus with Botox, weight loss and dermal fillers are among the many skin and weight solutions we offer to clients. We are up to date on all the best methods and products to help you become the you you want to be!
